Topics for discussion

1.Mrs. Coleman- Plant sale

Order forms will be sent home the week after April Vacation. Plants will be delivered May 18. We will need volunteers to unload and organize plants. The cost will be \$20, raising them slightly due to a cost increase for us. Heather Noyes will be primary contact for this event.

2. Book Fair

Book Fair was an amazing success. \$2,000 in sales. PTO turned all profits back into the kid by having Mrs. Murphy pull books. Discussed using some funds for shelving units for book fair. This would be used in other areas of the school when not used for Book Fair. Heather O'Dell will be researching options.

3. Box Tops

Karen Richardson will be heading Box Tops. New collection sheets will go up this coming week.

4. CES Gear

Shannon Davenport will be heading our Cougar Gear this year. Order forms will be going out in April. Terri Goldblatt will be contacting the vendor for pricing.

5. PTO Funds

PTO pays for the play every other year. Mr. Bamsey brought up looking into doing the Art Alliance on the opposite years. He offered to look into it further and it will be discussed at next meeting.
